Details

We will advertise through all local papers, websites, radio stations, schools, clubs and associations. Live demonstrations in a variety of mediums such as woodcarving, falconry and art. Real ale and food served all day. 50-120 stalls expected with a max table limit of 4. Stall shares are fine, as long as the table quantity does not exceed 4 and the pitch fee is covered. Only one car per pitch. There is plenty of additional parking outside of the fair grounds. Parking will be arranged for you on the day, please do not park yourselves. If the weather is unpredictable please ring me on my mobile, as I will have the final say from 7am whether or not the fair will be running.

Do not forget to bring your own cover/gazebo/tables, as I cannot supply them.

I look forward to seeing you and wish you happy selling on the day!
If you have any queries please do not hesitate to contact me.

Terms & Conditions

- This is an art & craft fair. Anyone seen to be selling things more suited to a car boot will be asked to leave and will lose their money paid.
- No tat or junk to be sold. We want to keep this fair to a good standard.
- If the weather is terrible, I will be forced to cancel and lose the money and advertising I have paid for. I will only do this if it is pouring with rain as my landlord will not allow me on the field and the general public will not attend.
- Please arrive on time to make the most of your sales and to help me arrange parking.
- You will need to provide your own tables, chairs and cover.
- Please do not leave before the advertised time of 4pm.
- Any aggressive behaviour will not be tolerated.
- Please note any charity stalls will still need to pay the full pitch fee.
