Details

This event is for the public to buy gifts for Christmas, therefore I ask for a limited amount of Christmas decorations, cards etc to be sold. As I can only fit 15 stalls inside and 20/30 stalls outside I am being selective as to who can come, i.e. not too many of one type of craft. I will be advertising through all local papers, websites, radio stations, schools, clubs and associations.

I have carol singers booked, and am doing a BBQ outside as well as a Santa's grotto for children so will be a well-attended, fun fair. The kitchen will also be making festive food and serving alcoholic and non-alcoholic drinks and minced pies to promote the Christmas feel.

Tables

If selling inside, your table can be no more than 6ft long due to the size of the venue. Boxes on the floor under and around your table are fine; I want you to squeeze as much as possible in. Table covers you need to provide.

Tables outside can be as big as you like but you need to provide cover and bring some bricks, as you will not be able to secure gazebos into concrete. I also advise bringing some lanterns/candles to draw people to you but there are lights outside anyway. The outside stalls will be on the back patio & path that runs along the front of the café; among the BBQ and carol singers so it should be nice and cosy. The weather isn't a factor as the BBQ, singers, grotto and stalls will all be under cover.
